Parental Consent to Coaching Form

(For parents of young adults 15 years of age and younger)

I have received and read the Coaching4Teens (C4T) *Information for Parents* Form. I acknowledge my awareness that any questions I have about the program can be addressed to C4T (contact information provided below).

I understand that the relationship between my teen and the C4T Coach will be treated as private and information will not be shared with me regarding the specifics of a session unless my teen discloses intent to harm his/herself, harm someone else, or discloses physical or sexual abuse, past or current, or the release of information is court ordered.

I understand that Coaching4Teens will monitor my teen's progress through the completion of questionnaires both in session and on SurveyMonkey, and that I will be invited to complete a survey at the end of the coaching process. The information collected from these questionnaires will be used to provide the coach with feedback regarding my teen's progress and the effectiveness of the coaching for my teen.

I give permission for, _____, to participate in the
